3 INDUSTRIAL LOOP DRIVE • PO BOX 1589 • HANNIBAL, MISSOURI 63401-1589

WATER RATE SCHEDULE

Effective July 1, 2011

GENERAL RATE PROVISIONS

Connection Charges

Connections to HBPW water mains, service lines, meters and their installation are the responsibility of the customer. A connection or transfer charge as published in the Schedule of Fees and Charges will be charged for all new connections or transfers.

Extension of Mains

Water mains may be extended by private developers with approved plans and using HBPW approved materials and construction methods. Water mains may be extended by HBPW. HBPW construction will be charged as published in the Schedule of Fees and Charges.

Billing

Bills will be the sum of Monthly Customer Charges plus Usage Charges. All bills will be rendered monthly and shall be payable at net through the due date shown on the bill. Bills paid after the due date shall be subject to a late payment penalty as determined in the HBPW Schedule of Fees and charges.

Delinquency and Disconnection of Services

If any bill is unpaid after the due date, the customer will be considered delinquent and service is subject to disconnection. Reconnection charges as determined in the HBPW Schedule of Fees and Charges shall be paid by the delinquent customer before service is restored. Refer to the Disconnection Policy, for more detail.

Sales and Use Taxes and Transfer Fee

The current Missouri Sales and Use Tax, County, and City Sales Tax applicable to nonexempt service rendered will be added to the monthly bills calculated under these rate schedules. A 5% City Transfer Fee will be added to the monthly bills.

NE Mo Sheltered Workshop Fee

The current NE Mo Sheltered Workshop Fee will be added to the monthly bills calculated under these rate schedules until August 30, 2012.

Service outside Hannibal City Limits

Service outside the City limits of the City of Hannibal is subject to a surcharge of 100% on the monthly usage charge.

Resale

Service shall not be taken under these rate schedules for the purpose of resale without the express written permission of HBPW. HBPW reserves the right to refuse service to customers not in compliance with this provision.

Meters and Settings

Meters and meter setting materials for new installations must be purchased from the HBPW. Refer to the HBPW Design Criteria found on the HBPW website, and the HBPW Schedule of Fees and Charges for more information.

Discounts/Industrial Incentive Programs

New qualifying Industrial customers and existing customers with new qualifying usages are subject to Incentive Commodity Rates for the first forty-eight months of new usage according the following schedule:

First 12 months of Billing	60% of approved commodity rate
Second 12 months of Billing	70% of approved commodity rate
Third 12 months of Billing	80% of approved commodity rate
Fourth 12 months of Billing	90% of approved commodity rate

Qualifications will be determined by the Board of Public Works on a case-by-case basis and will consider such things as an affirmative recommendation from the NEMo Economic Development Council, number and value of local jobs created, length and size of required water main extensions, and estimated annual consumption.
