

Hannibal Board of Public Works Project Share & Care

The Hannibal BPW would like your help in keeping our neighbors warm this winter and year round! Starting with the next billing, you can opt to “round-up” your bill to the next whole dollar amount, with all money collected going to a local assistance agency to help families of the HBPW with utility assistance. Whether it is a penny or 99 cents, every little bit helps! Your donation goes directly to an energy-assistance agency to help citizens in our community. You may end your donation at any time.

HOW YOU CAN HELP

- Sign and return the bottom portion of this paper and send along with your payment to: PO Box 1589 Hannibal, MO 63401
- Go online to: www.hannibalbpw.org, click on **Project Share & Care** to register

Please join us in donating today!

YES! I would like to enroll in Project Share & Care! I understand that my bill will be rounded up to the next whole dollar amount, and the additional money will be given to a local charity for distribution to local families.
