PRESS RELEASE

FOR IMMEDIATE RELEASE

May 15, 2017 - Hannibal, MO – The Hannibal Board of Public Works has hired TREKK Design Group to complete leak detection in the Hannibal area. A two-person crew from TREKK will be completing their leak investigation in the South Side Pressure zone starting tonight, Monday, May 15th, and continuing through tomorrow night, Tuesday, May 16th.

A majority of the work will be completed between the hours of 9:00 PM and 4:00 AM. They will be driving a white truck with camper shell. The truck is equipped with flashing lights with the TREKK name on the side of the vehicle. A thermal imaging camera will be attached to the top of the truck.

If you have any questions concerning this project, please feel free to contact the HBPW at (573) 221-8050 and speak with our Utility Engineer.
