

**BOARD OF PUBLIC WORKS  
PUBLIC HEARING  
RATE INCREASES  
JUNE 16, 2015  
3:00 P.M.**

At the appointed time, Mr. Robert Stevenson called the Public Hearing to order.

Mr. Stevenson welcomed everyone to the meeting and stated the purpose of the public hearing was to receive public comment on the following rate increases the BPW is proposing to take effect July 1, 2015:

***3% increase for Water Rates for all customers, 4.5% increase for Sewer Rates for all customers, and 1% increase for residential rate class only***

There were no customers in attendance, and no comments were given by the staff present.

There being no further comments from the audience, the Public Hearing was adjourned at 3:10 P.M.
