

Request for Qualifications for Engineering Services

Hannibal Board of Public Works – Prequalified Consulting Engineer Toolbox

The Hannibal Board of Public Works (HBPW) is seeking qualifications from consulting engineers who wish to be prequalified for various upcoming projects. Qualifications will be valid for a 5-year period from FY 2025 to FY 2030. Fiscal Year 2025 begins July 1, 2024. Consultants may submit qualifications for any/all areas of expertise they choose. Please return the cover sheet, attached, with your digital submittal. The cover sheet will allow us to file your qualifications according to areas of expertise. **Qualifications will be accepted, reviewed, and filed from April 3, 2024 to June 7, 2024.**

Consultants may submit qualifications for the following non-exhaustive list of project types, which we expect to have in our 5-year capital plan outlook:

- Water treatment plant planning and design
- Waste water treatment plant planning and design
- Industrial pre-treatment consulting and permitting
- Structural evaluation and design
- Water distribution planning and design
- Sewer collection planning and design
- Hydraulic (water/sewer) modeling
- Site civil planning and design
- Surveying/GIS
- Elevated tower and industrial painting
- Electric distribution planning and design
- Electrical substation planning and design

HBPW reserves the right to request project specific qualifications. Contracted work in any given sector does not guarantee future work or imply that future related projects will be guaranteed to the previously selected consultant. Projects that receive government funding will be solicited separately according to funding guidelines.

HBPW will select consultants as needed based on qualifications submitted during this request and kept on file. Consultants may update their qualifications with the HBPW as needed, although it will not be required during the 5 year period.

There is no page limit. Please submit requests in digital format only with a file size that can be transmitted via e-mail. Qualifications may be submitted to Alex Dunker adunker@hannibalbpw.org. Please call 573-221-8050 x6027 or e-mail the above address with any questions.
